PRINCIPAL'S MESSAGE

Dear Gilbert Park Families-

I hope you had a lovely three day weekend! This week has brought us some pretty chilly weather, especially in the mornings. It was just starting to feel like Spring would come early but I guess we will have to wait!

Please be sure to make note of our upcoming dates, especially those that we do not have school. We have a couple work days coming up for preparation of report cards and staff professional development. February 5th is a professional development day and a parent communication day. As always, please don't hesitate to reach out to your children's teachers if you have questions or there is anything we can do to support your child.

I encourage you to also mark your calendars for February 9th, our next PTA meeting. They are done through Google Meets. A link to the meeting will be shared in the February 3rd Newsletter. PTA is a great way to connect with the GP community, hear my report that includes updates about our school, and be involved in helping make GP a great school!

Sincerely,
Stacie Moncrief
